You will enjoy your comfortable flight to Bergen, Norway, a UNESCO World Heritage site and second largest city in Norway. On your included city tour you will visit the outstanding sights and experience the charm and atmosphere that attracts visitors from all over the world. Shopping at the interesting stores in the historic section of the city as well as in the modern department stores will be a highlight of your stay.

Norway is one of the most beautiful countries on earth, and the Norwegian Coastal Cruise (Hurtigruten) takes you on the world’s most beautiful sea voyage along its western coast. By ship is the best way to explore Norway and Hurtigruten has been doing so since 1893. Your modern vessel sails calmly through majestic fjords and calls on 34 ports from Bergen to Kirkenes above the Arctic Circle. Your ship also does double duty as transportation for local Norwegian people and freight creating a totally unique travel experience. See outstanding natural wonders including the Northern Lights or the Midnight Sun. There is an extensive excursion program available ranging from whale watching to a Viking feast and a sea eagle safari, etc. (Refer to the tour itinerary and excursion listings for further information.)

The last day will be spent in Oslo, the capital of Norway and a busy metropolitan city. Outstanding sights will be seen on our included sightseeing tour.
