Sigma-Aldrich Customer Service Center Information:
- Phone: 1-800-365-2535
- Fax: 1-800-365-2667

Ordering List 1 and 2 Chemicals:
- For questions, contact Controlled Substance Ordering: 1-800-521-8953 x.2595.
- If orders exceed the monthly threshold, they will not ship until either a faxed, signed purchase order or written statement of intended use is obtained.
- If this information becomes necessary, Controlled Substance Ordering will contact you.

Ordering Controlled Substances:
- For order placement or questions, contact Controlled Substance Ordering: 1-800-521-8956 x.2595 or fax: 1-800-531-2628.
- Orders will be held until all DEA requirements are met. The address on the DEA license must match the address indicated on order.
- Required Documentation:
  - Schedule I: Mail order with a copy of the DEA registration & completed 222 form.
  - Schedule II: Mail order with a copy of the DEA registration & completed 222 form.
  - Schedule III: Mail or Fax order with a copy of the DEA registration.
  - Schedule IV: Mail or Fax order with a copy of the DEA registration.
  - Schedule V: Mail or Fax order with a copy of the DEA registration.
- Refer to page 2011 of the Sigma 2000-2001 Biochemicals & Reagents catalog for more information.

Ordering Radiochemicals:
- For questions, contact Screening: 1-800-521-8956 x.4387.
- Orders will be held until all required documentation is received and verified. The shipping address on the order must match the addresses on the license.
- Required Documentation:
  - Current Radiochemical License OR Timely Renewal Letter.
