EPI Services Overview

A fully integrated, comprehensive marketing solution set

- Printed Materials
- Direct Mail Promotions
- Consumer Fulfillment
- Folding Carton & POS
- Contract Packaging
- Materials Distribution
- Catalog Development and Hosting
Printed Materials

POS Materials, Variable Content Mailings, Forms, Folding Cartons, Brochures, Lenticular Items, Greeting Cards, and much more

• **Non-stop service from the printing experts.**
  Print 1-8 colors on conventional sheet fed, web, flexographic presses or wide-format digital. Or, up to 56 inches on a large format sheet fed press.

• **Gain access to the industry’s cutting-edge presses.**
  EPI invests in the latest networked presses for speedy execution of your projects. Whether you need short run digital, print on demand or variable data projects – EPI has the perfect solution.

• **All mounting and die cutting is performed in house.**
  Save time, money and guesswork. Get custom pieces and unique designs without schedule delays. Including embossing, foil stamping and bindery work. EPI has its own staff of experienced tool and die makers that create custom dies on-site.
