SECTION II: GENERAL

A. LIMITATIONS:
The rates in this Agreement are subject to any statutory or administrative limitations and apply to a given grant, contract or other agreement only to the extent that funds are available. Acceptance of the rates is subject to the following conditions:
1. Only costs incurred by the organization were included in its facilities and administrative cost pool(s) or finally accepted; such costs are legal obligations of the organization and are allowable under the governing cost principles.
2. The rates or cost sharing arrangements to be applied to the rates established, are not claimed as direct costs.
3. Similar types of costs have been accounted consistent accounting treatment.
4. The information provided by the organization which was used to establish the rates is not necessary to be materially incomplete or inaccurate by the Federal Government. In such situations the rate(s) would be subject to renegotiation at the discretion of the Federal Government.

B. ACCOUNTING OBLIGATIONS:
This Agreement is based on the accounting system purposed by the organization to be in effect during the agreement period. Changes to the method of accounting for costs which affect the amount of reimbursement resulting from the use of this Agreement require prior approval of the authorized representative of the cognizant agency. Such changes Include, but are not limited to, changes in the charging of a particular type of cost from facilities and administrative to direct. Failure to obtain approval may result in cost disallowances.

C. FIXED RATE:
If a fixed rate is in this Agreement, it is based on an estimate of the costs for the period covered by the rate. When the actual costs for this period are determined, an adjustment will be made to a rate of a future year(s) to compensate for the difference between the costs used to establish the fixed rate and actual costs.

D. USE BY OTHER FEDERAL AGENCIES:
The rates in this Agreement were approved in accordance with the authority in office of Management and Budget Circular 42.

E. OTHER:
If any Federal contract, grant or other agreement is reimbursing facilities and administrative costs by a means other than the approved rate(s) in this Agreement, the organization should:
1. Examine such costs to the affected program, and
2. Apply the approved rate(s) to the appropriate base to identify the proper amount of facilities and administrative costs allocable to those programs.
