UNCLAIMED PAYCHECKS/ESCHEATS

Lost or damaged paychecks that are outstanding for more than one year may be voided and sent to The State of Michigan Unclaimed Property Division or the unclaimed property division in the state of the employee’s last known address. Employees may claim the outstanding funds by contacting The State of Michigan (or their state’s) Unclaimed Property Division and follow the state’s claim procedures.

The State’s Unclaimed Property Division should provide the employee with the check number, date of check, dollar amount, and the year the money was reported. Once that information is received please contact Gina Potvin at the Payroll Office. Please provide your employee id number or social security number for verification, your address, phone number, and any name changes. Verification will be done and a letter will be provided for The State’s Unclaimed Property Division. Please make sure all documentation the State requires is included in your packet before sending it to the State’s Unclaimed Property Division. The normal process takes approximately one to three months to receive your money back and will be delayed if your packet is not complete.

Please contact Gina Potvin at 734/764-9530 or email at cloudy@umich.edu.
