Avery® EcoFriendly Labels, Binders & Dividers
Products that work for you and the environment.

Trust in the same high quality you’ve come to rely on from Avery—only a little greener. Avery® EcoFriendly products are easy to format, look great, and can help your office leave a smaller footprint on the environment.

Avery® EcoFriendly Labels and their packaging are made of 100% recycled material and are 100% recyclable.

Recyclable Binders are made with 100% recycled chipboard and durable one piece board construction.*

EcoFriendly Index Maker® and Ready Index® Dividers are made with FSC certified 100% post-consumer recycled content.

Using the Recyclable Binders and EcoFriendly Dividers together, they offer a high-quality professional solution for organization.

We promote sustainability by continuously improving the design and development of environmentally responsible products.

*Recycle binder cover in paper recycling bin and recycle rings in metals recycling bin. Steel recycling may not be available in your area. Please check with your local recycling center or the Steel Recycling Trade Association for guidelines.
